

# SmartCloud Digital Signage

## RETAIL

### Dynamic digital displays that inform, engage, and convert

Improve the in-store experience, convey your brand message and encourage engagement using digital signage. Give your in-store or window displays that wow factor.

## MENU BOARDS

### Boost sales and simplify service with digital menu boards and signage

Display your menu, prices and specials on a dynamic digital display board. Perfect for cafes, restaurants, coffee shops, bars and food trucks. Speed up service, help your customers find what they want and update menu items on the fly. Easy!
