

SmartCloud Digital Signage

Lobby & Reception

A great first impression with digital signage

Create an eyecatching digital welcome mat for your reception, waiting area or foyer. From directions and wayfinding, to promoting your facilities, give your visitors the essential information they need to get the most from their visit.

Special Events & Special Offers Advertise It!

Easily update your menus and drive more sales

Take control of your menus from anywhere, on any screen. With ScreenCloud's digital menu boards, food businesses can update pricing, promote specials, and drive upsells using dynamic content without needing to reprint a thing.
